Harmony 9 · Occasion 9 · Silhouette 9 · Cohesion 9

The black fitted tank against white pleated wide-leg trousers is a textbook neutral pairing — the fitted top gives the full-volume trousers a clear waistline to hang from, and the beige shoulder bag warms up what would otherwise be a stark palette. For casual wear this is already polished without trying hard.

Fix: Add a thin gold necklace to catch light against the black top — it's the only place the outfit has room for one more detail.
